

## SMSF AUDITORS ASSOCIATION OF AUSTRALIA

Our first agenda was to lodge a submission to Treasury on their move to 3 year audit cycle. A collective submission was lodged and SMSFAAA was born.

SMSFAAA is only for SMSF Auditors and intends to serve their fellow auditors with quality education, representations to treasury, ATO & ASIC. The board of Directors, who are all SMSF Auditors, have kept low monthly fees. Membership runs from July to June each year and if you join in the middle of the year, you pay a pro-rata fees based on the months remaining in the year.

SMSFAAA insists its members maintain the utmost level of professionalism and prosper together with sound and ethical professional development.

Collaboration between members is an intelligent way to support each member to attain success.
